

FIG. 1 and FIG. 2 are schematic diagrams of a cable assembly. FIG. 1 shows a cable with segments 12, 14, 16, 18, and 20, connected by joints 15, 17, and 19. FIG. 2 shows a similar cable with segments 21, 23, 25, and 27, connected by joints 24, 26, and 28. The cable is shown in a curved, sagging position.
